

Carrier Vetting for Reliability and Peace of Mind

Our comprehensive carrier vetting process ensures our vendors provide safe and secure cargo transportation while meeting and exceeding our customer expectations.

Our tech-enabled process provides real-time carrier compliance monitoring while allowing our team to select the most qualified carrier for each shipment.

- **Dynamic Carrier Ranking:** We utilize data-driven ranking to score carriers based on market statistics, peer groups, and service levels.
- **Carrier Matching:** Our carrier sourcing technology identifies the top performers to match with the most demanding shipments.
- **Digital Tracking:** We provide uninterrupted end-to-end digital tracking for full shipment visibility and peace of mind.
- **Continued Monitoring:** We provide real-time carrier compliance and service level monitoring to ensure that we maintain the highest standards of safety, security, and reliability for our customers.
