

Digital Quoting

Count on Fastmore Logistics for a simplified digital quoting experience.

Fastmore Solution

Freight forwarders move a lot of shipments, and getting quotes quickly makes all the difference. With Fastmore's customer portal, you can win business with instant quotes to keep up with a fast-moving market. Our portal also provides analytics reporting for real-time visibility and tracking capabilities. Using the Fastmore digital quoting portal not only makes shipping more convenient, but it also helps your business thrive.

Benefits of the Fastmore Portal

- Real time quoting and visibility
- Technology supported by 24/7 service
- Options to choose from multiple carriers and book instantly
- Quotes are accurate and don't change as you book
- Easy-to-use technology
