

When Speed Matters, Choose Fastmore

Our Expedited Services give you more choices and less downtime.

We understand that the slightest delays in handling critical shipments can impact your business. Trust our team of experts to handle your urgent requests with optimal freight solutions that meet tight deadlines.

Our Solutions:

- **Customer Portal:** A single platform to get instant quotes, book, track, and manage your shipments, saving time for your urgent freight requirement.
- **Nationwide Coverage:** Fastmore's network of highly qualified and vetted carriers covers local and nationwide expedited transport, saving you time navigating the market for the right carrier partners.
- **Team Drivers:** We provide optional team drivers to increase the safety and reliability of each shipment.
- **White Glove Delivery:** Customized delivery solutions tailored to the needs of every client.
- **Intelligent Exception Alerting:** Fastmore's integrated tracking alerts our team and the client of potential delays and in-transit exceptions, allowing for quicker resolution and keeping your time-sensitive freight moving.
- **Dedicated Team:** Our logistics experts are available 24/7 to assist you with your time-sensitive freight needs.
