

Less-Than-Truckload Services

Fastmore is the ideal partner for businesses seeking comprehensive and reliable Less-Than-Truckload (LTL) services.

Our comprehensive solutions ensure that all your LTL needs are met in an efficient manner with the help of our dedicated team of experienced professionals guiding you through every step of the process.

Our tech-enabled, proprietary carrier vetting process leverages internal and external data to select carriers with a focus on the highest service standards and a proven track record.

Access real-time shipment status, milestone notifications, and invoices through our online customer portal. This self-serve portal provides access to historical shipment details and document retrieval whenever needed.

We have developed custom technologies that enable us to provide customers with access to a wide range of benefits including:

- Dedicated transportation experts as one point of contact for all LTL requirements
- Cost savings identification
- Loss/damage claims filing & management
- Comprehensive, real-time tracking information
- Proactive alerts for shipment and delivery status updates
- Automated billing processes for increased accuracy & transparency

Client Testimonial

“Being in the people and communication business, I wouldn’t want to lose sight of the great support and communication provided by your team. We have seen the automated communication add value and your drivers have been where they are needed every step of the way.”
