

Self-Service Portal

At Fastmore, we deliver a customer experience optimized by technology.

Our Self-Serve Portal with workflow automation solutions supports customers through every step of their journey - from digital quoting to end-to-end tracking and document collection. Fastmore's customer portal helps Freight Forwarders make better shipping decisions faster. From digital quoting to real-time tracking and POD collection, we utilize technology to get the job done accurately and efficiently.

5 Reasons Why Forwarders Choose Fastmore

- Digital quoting in 30 seconds
- 85% of shipments tracked electronically
- Location updated every 30 minutes
- Same Day POD upload
- 24/7/365 Dedicated Support Team

With Fastmore's Self-Serve Portal, access real-time shipping status, milestone notifications, and manage shipment documents all in one place. Documents can be retrieved, and historical shipment details can be made readily available any time.

Client Testimonials

“Quick delivery of information as well as PODs has been extremely useful. It saves us a lot of time chasing information. Having them all available in your portal is very convenient.”

- Air Import Manager, Top International Freight Forwarder.
